

2024–2026 Strategic Plan

► Our Mission

To facilitate engagement among the Canadian professional regulatory community and to advance regulatory excellence through our programming.

► Our Vision

A community of regulatory professionals equipped with the knowledge, skills, and resources to effectively regulate their professions in the public interest.

► Our Goal

To be the trusted, leading resource for professional development and networking opportunities in professional regulation in Canada.

Our Strategic Priorities

1. **Acknowledge** our community's learning needs and **deliver** impactful programming
2. **Strengthen** the value exchange with other organizations involved in professional regulation.
3. **Ensure** organizational sustainability and excellence in service delivery.

Our Key Outcomes

Community: Acknowledge and Deliver

- Identified learning needs informed by research and community expertise
- Community-aligned professional development programming
- Enhanced networking opportunities

Ecosystem: Strengthened Value Exchange

- Commitment to clear communications and outreach
- Deepened partner and stakeholder relationships
- Foster diverse collaborations with individuals and organizations

Organizational: Sustainability

- Sufficiently resourced and competent staff team
- Effective governance model and long-term financial stability
- Diversified and appreciated volunteers
